

Total Packaging Solutions from Concept to Customer

1.6
FEET A DAY

Bamboo can grow an amazing 1.6 feet per day with a higher tensile strength than steel!

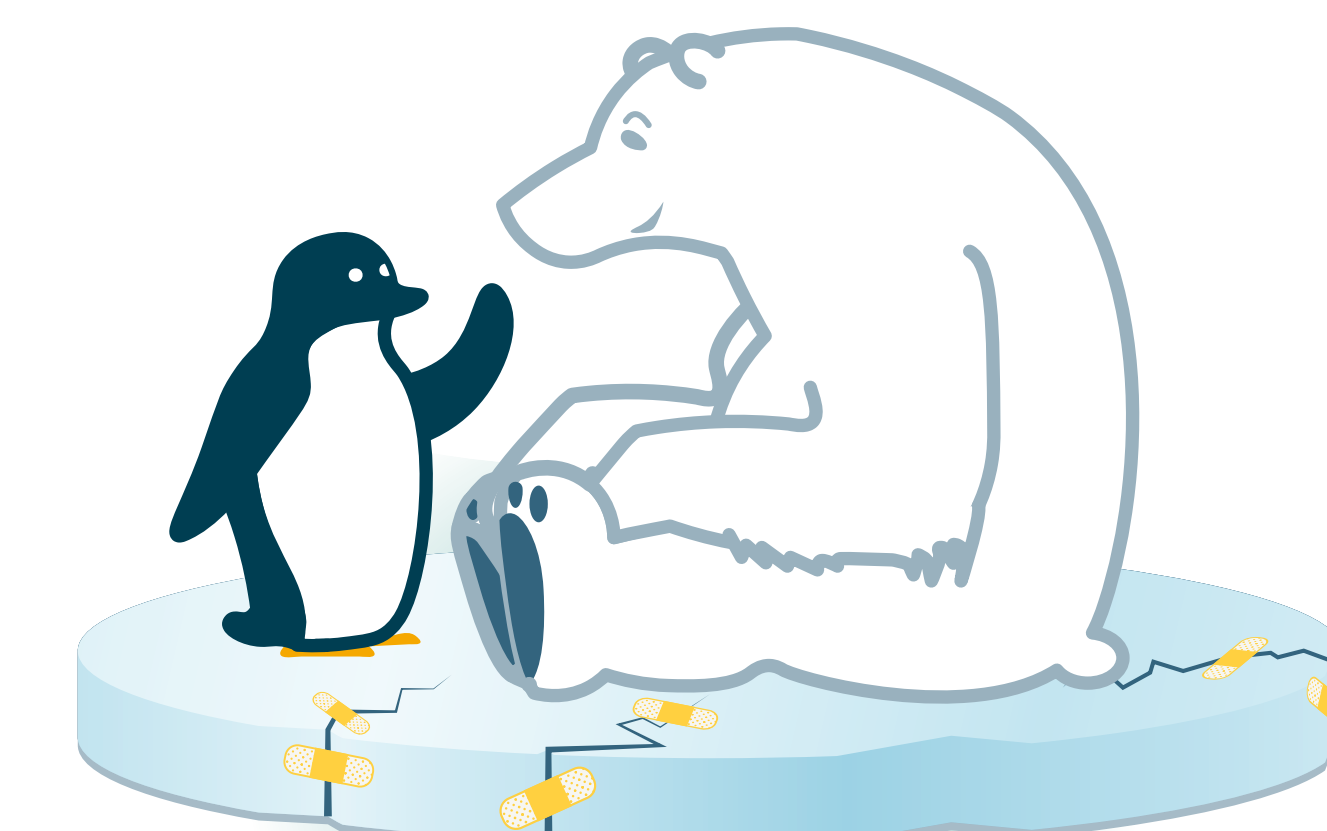

ZERO
EMISSIONS

Golden Arrow factories have zero total emissions, from the beginning to the end of production.

100%
WATER REUSED

We reuse and recycle 100% of the water used in the production process—we even keep a thriving koi pond using the reclaimed water!

2 OUT OF **3**
POLAR BEARS

U.S. Geological survey projects 2 out of 3 polar bears will disappear by 2050 due to climate change.
